(To be kept by the District Officer)
Letter 23rd September 1901
Form
R. J. M. to the District Officer
Sept. 23rd 1901
From the District Officer to the District Officer
in reply.
 Sir, -
 As you are no doubt
 aware, that in the beginning of July
 last, while in Camp in the District,
 I got an attack of acute
 dysentery, coming to exposure, which
 laid me up for about a fortnight.
 2. On account of there being
 no Assistant Superintendent at the time
 in the District & my having to work
 the whole District alone, I was un-
 able to lay myself up for a
 sufficient period to ensure my com-
 plete recovery, in consequence of
 which, an attack of enteritis
 supervened on the dysentery and
 developed into Typhoid, and I
 was obliged, under the advice
 of the District Medical Officer at
 Palamcottah, to proceed on leave
 to the District, where I was very

ill for some time.

3. On recovery, I returned to duty to Palamcottah, but then I got a relapse and was sent to the General Hospital in Madras by the District Officer, as he considered that the complaint would otherwise become chronic and perhaps lead to serious consequences.

4. I was under treatment in the General Hospital from the 27th of September to the 24th of November 1878 and on becoming convalescent was discharged and appeared before a Medical Board, which recommended me for a period of 6 months leave.

5. As I was only entitled to leave on half pay, I have been granted the same for 6 months including the period of my detention in Hospital and the rest, during that period, I have drawn a salary of only Rs 225/- per mensem, which was half my permanent pay of Rs 450/-.

6. I find that under G.O. No 434, Public, dated 31st March 1876, a

~~scale~~ has been sanctioned for the Hospital staffages to be drawn from paying patients in the special wards and according to the above, I have been charged by the authorities in the General Hospital at the rate of Rs 4/- per day, calculated on my salary of Rs 450/-

7. But as already shown above, during the period of my stay in Hospital, I actually drew a salary of only Rs 225/- per mensem, in which I should have paid only Rs 3/- per diem as Hospital staffage under the G.O. quoted above, as I presume that the scale of staffages in that G.O. has been calculated on the actual salary a paying patient draws, during the period he is treated in the Hospital, but as the above G.O. is not clear on this point, I trust you will be so kind as to make a reference to Government on the same and communicate to me the decision arrived at in the matter.

8. In making the reference, I solicit that you will be so

ill for long bring the following
facts to the notice of the Hon-
ourable in Connection with the subject.

9. Firstly; that my illness which
necessitated my going to Hospital
was not contracted by any impru-
dence on my part, but solely
in the execution of my duty and the
consequent exposure thereby.

10. Secondly; that should my Hos-
pital stoppages be calculated
at the higher rate of Rs 4/- per diem,
it will make an average of Rs 120/-
per month, and this being deducted
from the actual salary of Rs 225/-,
which I drew whilst in Hospital,
would leave a balance of only
Rs 105/- in my favour, which amount,
I have to submit, would not suffice
for the support of one's wife and
family in the case of a married
Officer, such as myself.

I have the honour to be
Sir

Yours Most Obedt. Servt.

H. M. Mayne
Assistant Superintendent
of Police.

From

SURGEON-GENERAL C. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to G.O. No. 21835,
Public, dated 14 December 90, I
have the honor to forward for the
consideration of Government another case of
a similar nature.

2. The circumstances under which
Mr. Loomby was allowed to be charged
the minimum rate (Rs 3 per diem) of
Hospital stoppages being also applicable
to the case of Mr. Mayne, I recommend
that the concession may also be extended
to the latter officer.

3. As cases of an analogous nature
are likely to arise very now and then and
as constant references to Government
are both irksome and unnecessary, I
would suggest for the consideration of
Government the desirability of the
word "actual" being prefixed to the

C. F. F. F. F.
Surgeon General.

C. No. 388 From the Surgeon General, No. 115, dated 31-10 1899

for release

J. Van-

The Surgeon General
submits the case of Mr.
Wayne, Asst. Surg. of
Police, who was an
inmate of the General
Hospital from 29th Sept.
to 24th Nov^r 1898, while
on leave on half pay
who was charged hospital
stoppages at Rs 4 per
diem on his full pay
of Rs 450 per mensem.
Mr. Wayne contends
that the rate of hospital
stoppages should have
been based on his half
pay of Rs 225 per mensem
that he should be

except the minimum
of Rs 3 per diem.
The Surgeon General supports
the request, following
the precedent in the
case of the formulae of
the P.W. Dept. (G.O. No 1535
Public of 17.12.98). Sanction
may be given accordingly.

2. In the case of Govt.
servants whose pay is
less than Rs 200 per
month, who are in hospital on half
pay, there is a distinct
rule that hospital stoppage
should be calculated
on the pay actually re-
ceived - vide Rule 7 of
page 8 of G.O. No 434 Public
of 3.1.3.96 - There is no
such rule in connection
with the special wards
for paying patients, & the
Surgeon General recommends
that the word "actual"
be prefixed to the
words "monthly income"
in the scale laid down

1/7.2.99
1/7.2.99
1/7.2.99

in G.O. No.
of 31 March 11
words "monthly in-
come" however occur
in para 14 of the G.O.
& the words "actual
monthly income" may
be interpreted to
mean an officer's full
drawn pay. It would
be well to pass an
order to the effect
that patients in the
special wards who
may be on leave or
loss of part of their
pay will be charged
according to the leave
allowance actually
drawn by them.
