Resolution

Recorded.

2. The Board submits that a comparison of the dates on which the Periodical Reports and Returns in question were despatched to Government from this Office during the years 1897 & 1898 will show that steps have already been taken to ensure greater punctuality in this respect. The dates are compared in the accompanying statement which includes periodical returns of the same description submitted during the current quarter. It will be seen that in 20 cases out of 23 the statements were submitted earlier in 1898 than in 1897; the average time gained being over 20 days. In three cases only was there greater delay in submission, ranging from three to seven days.

3. The habitual unpunctuality with which some of these returns were submitted attracted attention in June or July last, and it was some little time before the office could be got into better habits, the difficulties usually experienced in such cases being enhanced by the fact that no proper calendar of returns due from the Board was maintained. This want has since been supplied and the Board trusts that in future Government will have no reason to animadvert upon the late receipt of returns. There are, however, one or two cases in which punctual submission involves an amount of hurry and strain which may render it desirable to postpone the due date; these will be dealt with separately should further experience prove

Note for the Chief Secretary

In G.O. No 1091 Rev.
16.2.88

In Board's Proceedings
N^o 102 (Land Revenue), dated
the 2nd February 1888, the
Collectors of districts were
informed that the reports
on unpassed Assistant
Collectors ^{are} ~~are~~ due in the
Board's office on the 15th
of January and ^{the} 15th of July
in each year.

Board's Proceedings
N^o 257 of 23.7.95 pre-
scribed a report directed
the collectors to submit
half yearly reports on
probationary Deputy
Collectors similar to those
prescribed for Assistant
Collectors.

In G.O. No 934 Rev
of 11.11.97 the Govt
fixed 15th January and
15th July as the dates for

Submission to Govt
of the reports on the Dy
Collectors.

Referring to the
impunctuality in the
submission of reports
on probationary Deputy
Collectors, the Board
pointed out that the
due dates fixed ^{by Govt} for these
reports were identical
with those prescribed for
Collector's reports, and
suggested the alteration
of 15th January and 15th
July ~~as~~ to 1st February
and 1st August respectively
~~for the submission of~~
~~the reports to Govt.~~

In G.O. No 337 Rev,
dated 23rd January 1899,
the Govt. agreed to the
above suggestion.

In B.P. No 146 R
dated 16-1-99 the Board
remarked that according
to the Calendar of returns

No 934 Rev, dated 11th
November 1897, reports
on the progress of Pro-
bationary Deputy
Collectors (and un-
passed Assistants) for
the half year ending
31st December 1898 were
due to Govt on the 15th
January, but that for
the reasons stated in
para 4 (iii) of B.P. No
3624 217-12-98, the
Board would not be
able to submit them
before the 1st February.

The Rev Dept has
recorded the B.P. quoted
in the beginning of
the preceding paragraph
and sent a copy ^{of the order} to the
Public Dept. apparently
because the Board
refers to the reports
on unpassed Assistants
also.

The Public Dept does
not appear to have fixed

any dates for the sub-
mission of the reports
on unpassed Assistant

It is submitted that
the Board may be told
that there is no objection
to the reports in question
being subd. to Govt
on the 1st February
