C.No.367 L:-

"If this letter could have been disposed of immediately on receipt, it might have been worth while to act as proposed. But less than a month remains of Mr. Parsons' period of special duty. It will take a week for orders to reach Mr. Dance and if he takes time to consider or enquire, there will be no time left for any further enquiry. Let Mr. Parsons go on with his enquiries into Mappilla schools, but at the same time it may be intimated to Public that he can be spared for the regular ^{line} ~~line~~.

Mr. Parson's report may be communicated to the President Local Fund Board, with the remark that the existence of these small schools in the Calicut Taluk has been verified and their utility established, and that Govt. does not consider the services of a special officer necessary for making further enquiries.

Copy of notes by the His Excellency the Governor, dated 16th February 1899, on Local and Municipal Dept. C.No.367 L:-
