SIR,

I have the honor to bring to your notice the following facts and to request that you will be good enough to obtain sanction of Government in the same.

1. The Medical officers in charge of plague Hospitals in the city of Madras are also in charge of segregation camps and inoculation depôts. They have to attend the latter place twice a day.

2. The Hospitals, Segregation camps and inoculation depôts are in some instances widely apart, and Medical officers have to move about to the extent of from 10 to 12 miles a day.

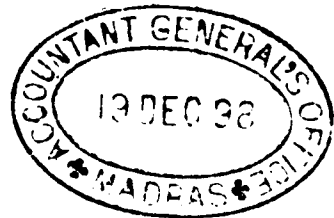

3. Under the circumstances I would recommend that monthly conveyance be provided, being the actual cost of maintaining a brougham and horse, be sanctioned in the

The case of each medical officer with
retrospective effect from the date of their
appointment.

I have the honor to be,

Sir,

Your most obedient Servant,

Forwarded through the Accountant General.

2. The rate at which the allowance should be
given is not specified. It is believed that it varies with
