GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 7180, dated 14th December 1898 :—

Read—the following letter from B. MACLEOD, Esq., M.A., Barrister-at-law, Collector of Anantapur, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, Ref. on F.C. No. 216, dated 7th December 1898 :—

I have the honour to state that the Board in its Proceedings, No. 340, dated 12th September 1898, communicated Government Order declaring certain officers employed on famine duty to be entitled for famine concessions sanctioned by the Government of India in its Resolution No. 5047-P., dated 15th November 1897. From paragraph 3 clause IV of the resolution, it is observed that the officers should avail themselves of the concession within two years from the date of the resolution, i.e., from 15th November 1897. Nearly one year has elapsed in deciding who are eligible for the concessions, and there is only one year remaining. Among those who got the concessions, Mr. N. MacMichael, Head Assistant Collector, five Tahsildars and the English Head Accountant of my office are now serving in this district. Plague is prevalent in these parts and as such I am afraid that none of them will be allowed to avail themselves of the concession within the remaining one year, and the concession so kindly granted will be lost. I therefore beg to suggest that the Government may be addressed on the point of extending the concession by counting the period of two years from 12th September 1898, the date of the Board's Proceedings, communicating the names of the officers entitled to the concession.

Resolution—Mis. No. 7180, dated 14th December 1898.

Submitted to Government for orders.

2. Under paragraph 3 clause IV of the Government of India Resolution, No. 5047-P., dated 15th November 1897, the local Government may extend the prescribed period within which the concession referred to should be availed of. The Board recommends that in the case of the officers mentioned in the Collector's letter read above, the period of two years may be reckoned from the date of the Government Order declaring which officers are eligible for the concession, viz., 26th August 1898.
