OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, the 9th February 1899.

From

To

SURGEON-GENERAL C. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

A With reference to G.O. No.131, Public, dated 31st January 1899, I have the honor to state that, as explained in the latter portion of para 4 of my letter No. T 3/19 dated the 9th September 1898, a Temporary Civil Assistant Surgeon has been posted to my office, in anticipation of the sanction of Government, to check the diaries from the various inspection stations in the Presidency, to check and dispose of the telegrams and reports from plague infected Districts; to check the weekly return from the Sanitary Commissioner with the above documents and to deal with other questions of a professional nature. He has specially studied the various orders and rulings bearing on plague and is therefore of much use in the office. As he however, draws no extra allowance and as living in Madras is costly he feels it difficult to continue in the appointment for any length of time - but as his services cannot be spared and as a new man will have again to be trained, I request that in the interests of the Department the Government will be pleased to sanction the plague allowance of Rs.2 per diem with effect from the date he joined his appointment in this office viz, 5th September 1898.

I may state that it was impossible for me to arrange for the work without posting a Medical Officer -nate to do duty in the office

5.

Pleaser of early orders is requested.

I have the honor to be,

Sir,

Your most obedient servant,

P. S. Srinivas

Surgeon-General,

Surgeon-General with the Government

of Madras.

Fort St. George
Accountant Genl. Office
21 February 1899.

No 649

Forwarded to Government with the remark that no plague allowance is admissible to the officers as they are merely doing office work connected with plague in the Surgeon General's office. As regards a local allowance, other Temporary Civil Assist. Surgeons employed in the Hospitals in the Presidency Town do not get any local allowance and there does not therefore appear to be any reason why the officers in the present case should be on a different footing.
