that the fol: views with

But as it is more than
six months since the
hospital Association
has retired and as it is
perhaps there is no objection
to his receiving the
address. Orders
are requested.

There can be

proposed presentation
is intended to follow
upon the Army. Asst.
Surgeon's retirement, &
as such it contravenes
Rule 2 at page 12 of the

must apparently be rejected
unless it is thought there is
ground for a request to review.

See

Apparently under rule
52 this Govt can permit
a medical officer to
receive a public expression
address from his patients
But it would perhaps
be simpler to send the
honorable a copy of
rules 48-50, and to
say that these demonstrate
should take a form which
is admissible under those
rules.
