GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From the Deputy Secretary to the Government of India, Military Department,
to the Chief Secretary to the Government of Madras, dated Simla, the 16th
February 1899, No. 119-B.

I am directed to acknowledge your letter No. 68 of the 17th January last, in
which you recommend that the Commandant, Malabar Volunteer Rifles, may be per-
mitted to purchase, from the capitation fund, nine bicycles at a total cost of Rs. 1,900,
with a view to adding a cyclist section to his corps.

2. With reference thereto I am to invite your attention to Army Regulations,
India, Volume IX, paragraph 508, in which it is laid down that any surplus money
from the capitation, left after the payment of all expenses connected with certain
specified preferential charges, may be applied by the Commanding officer in any way
he may think best fitted to benefit his corps. This rule gives Commanding officers
ample discretionary powers for utilising any surplus; and I am to say that if any part
of the credit balance of Rs. 1,735-13-6, referred to in your letter No. 11 of the 4th
January last, is not required for the purposes laid down in paragraph 508 of the
Volunteer Regulations, the Commandant of the Malabar Volunteer Rifles is competent
to sanction the purchase of bicycles for the proposed cyclist section within that limit.

3. Should, however, there be no surplus in the capitation fund, or if none can be
confidently expected by the end of this financial year after the payment of all prefer-
ential charges, I am to say that the Government of India are not disposed to sanction
any special provision being made for this purpose.

Dy. Secy. to the Govt. of India.
