OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 12th January 1899.

From .

SURGEON-GENERAL J. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

A circular ink stamp from the Assistant General's Office in Madras. The outer ring of the stamp contains the text "ASSISTANT GENERAL'S OFFICE" at the top and "MADRAS" at the bottom, separated by small floral motifs. In the center of the stamp, the date "14 JAN 39" is stamped.

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

I have the honor to state that in 1890 Surgeon-General Bidie recommended that the Civil Apothecary attached to the Lunatic Asylum, Madras should be allowed to draw his Presidency allowance in addition to the Asylum allowance sanctioned in G.O. No. 129, Judicial, dated 16th January 1885 but the Government declined to accept the recommendation vide G.O. No. 28, Public, dated 2nd May 1890.

G.O. No. 605, C
Public, dated
28th April 1898.

2. Recently Government has ruled that the Hospital Assistant attached to the Madras Lunatic Asylum will be granted the residency allowance in addition to the Asylum allowance drawn by him.

3. This ruling has given rise to a representation from the Civil Apothecary of the Asylum for a similar concession and I consider that his request is deserving of the favourable consideration of Government.

4. It must be remembered that the Apothecary at the Lunatic Asylum has no chance of any practice. It was to compensate for this and for the other drawbacks incident to the special nature of the work that the Asylum allowance was sanctioned and it does not therefore appear to me why it should be allowed to prejudice the claim of the Apothecary to the Presidency allowance, especially when it is borne in mind that if employed in an independent charge in the mofussil the Apothecary would be entitled to a charge allowance of Rs.50 per mensem or Rs.20 more than what he gets.

Presidency allowance to the Madras
Lunatic Asylum Apothecary

..... 189 .

"....." "....." ; 189 .

..... 189 .

For orders

The Surgeon General
recommends that the Civil
Apothecary attached to the
Lunatic Asylum be
granted the usual Pay,
allowance of Rs. 30 per month,
in addition to the Asylum
allowance of Rs. 30 a month
now drawn by him.

2. The charge allowance drawn, under G.O. No. 129, Feb. 16.1.95, by the apptg. attached to the Lunatic Asylum, was granted to compensate him for the loss of private practice and on account of the "many risks & few attractions"

attending the apt. (G.O. no

2728 Public notice of 27.10.94)

3. G.O. no 328 Public notice

2.5.90, which granted a
local allowance of Rs 30 per m.

to all civil apothecaries doing
duty in the Presidency hospital
expressly excluded the apothecary
attached to the Lunatic
Asylum on the ground that
he was already in receipt
of a charge allowance of Rs 30.

4. In G.O. no 605 Public
notice dated 28.4.98, the hospital
assistant at the Madras
Lunatic Asylum was
permitted to draw Presy.
allowance at Rs 10 per m.
in addition to the Asylum
allowance of Rs 15. This
has led to an application
from the Civil Apothecary
for the grant of a similar
concession to him.

5. The Surgeon Genl remarks
that the Asylum allowance was
granted as compensation for
loss of private practice &
for other drawbacks incident

to the nature of the work
at the Asylum, & that
it should not prejudice
the claim of the apothecary
to Presidency allowance,
especially as the apothecary
if employed in an inde-
pendent charge in the
Mofussil, would draw
an allowance of Rs 50 per m
or Rs 20 more than he
gets at the Asylum.

6. There appears to be
much weight in the
Surgeon Genl's argument,
for Presy. allowance is granted
to cover the greater cost
of living at Madras. The
Accountant General says
that there is no account-
objection to the proposal,
which might perhaps
be sanctioned.

Note

As reported by the Assistant General there is an account objection to the Civil Apothecary attached to the Sanative Asylum, not being granted the 'Presidency allowance' in addition to the 'Asylum allowance' at present drawn by him.

2. When the Civil Apothecary of the Sanative Asylum was excluded from the privilege of drawing the 'Presidency allowance' granted to all other apothecaries attached to Presidency Hospitals in 1890, the fact that the reasons for the grant of the allowance were quite distinct from those for the grant of the asylum allowance appears to have escaped notice. The 'asylum allowance' was granted as a compensation for the loss of private practice and for the many risks,

~~the allowance made for the Civil Apothecary at the hospital is not the same as the allowance made for the Civil Apothecary at the Asylum. The allowance for the Civil Apothecary at the hospital is Rs 100 per mensem as pay (p. 176 of the C.B.S.)~~

~~in consequence to some extent the question of the powers of this Govt. to sanction the presidency allowance then applied for, and the distinct nature of the two allowances appear there to have escaped notice, and the 'asylum allowance' itself came to be erroneously called a charge allowance in the order which sanctioned the 'presidency allowance'.~~

3. Since ~~the~~ the 'asylum allowance' and the 'presidency allowance' are granted for distinct reasons and the Civil Apothecary at the

the Domestic Asylum labours under all the disadvantages for which these allowances are given, it is submitted that it seems but equitable that the 'presidency allowance' should also be sanctioned to him, the Commissioner having already by L.O. No. 625 Pub. d. 18th April 1898, been extended to the hospital assistants at the Domestic Asylum. He stated above there is no account objection to the grant of the 'presidency allowance' in addition to the 'asylum allowance' at present drawn by the apothecary, and the amount involved Rs 25 a month being trifling can be easily ^{met} from the medical budget for next year ~~as for other reasons~~
