NO. 74

Ootacamund

23rd February 1899

From

Major A. L. Cowdell

Off. Commandant Nilgiri Volunteer Rifles

To

The Assistant Adjutant General

Southern District, Wellington.

Sir

When forwarding my application
dated 11th November 1898, for the balance, viz.
Rs 2,900 of the Rs 5,000 asked for the
previous year as assistance towards the
cost of erection of the new Armoury, I
omitted to mention that, should the
Government of India be pleased to grant
the sum applied for, no further assistance
will be asked towards cost of erecting
this Armoury.

The Building has been completed,
and as already previously stated cost
is all about Rs 14,000, so it will be
seen that the Corps has assisted itself
in this very desirable work to the
extent of Rs 9,000, and is only asking
Government Assistance to the extent of Rs 5,000.

7-3-99

It is manifest that, in the interests of Volunteering, the many retrenchments that have lately been necessary to enable the Corps to meet its part of the cost of erection of the Building should not be continued longer than can possibly be avoided.

I therefore trust that Government, considering the above facts, will allot the small balance of Rs 2,900 which would put the Corps finances on a satisfactory footing.

I have the honor to be
Sir

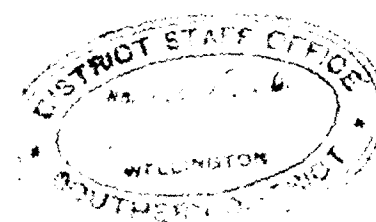

Your obedient servant

A. Cowdell. Major

Off. Commandant Milford W. Rifles
