OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 26 February 1897.

From

SURGEON-GENERAL C. SIETHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public Department.

SIR,

The Station Superintendent General Hospital reports that there exist at present two vacancies in the 1st grade of nurses and that 2nd grade nurses Nation and Sherwood who are well fitted for promotion cannot be promoted in the absence of sanction from Government as they have not completed a service of two years in their present grade. He states that Nation has been a nurse for more than ten years, while Sherwood has done excellent work in the General Hospital for nearly three years and that their services are likely to be lost in the event of their non-promotion. I agree with the Senior Medical Officer that the Station Superintendent's recommendation is deserving of favorable consideration and accordingly request that Government
