GENERAL DEPARTMENT.

EMIGRATION—No. 764.

CALCUTTA, THE 25TH FEBRUARY 1899.

FROM M. FINUCANE, Esq., C.S.I.,

Secretary to the Government of Bengal,

TO THE CHIEF SECRETARY TO THE GOVERNMENT OF MADRAS.

SIR,

In continuation of Mr. Slack's letter No. 3705, dated the 7th December 1898, I am directed to say that, in the event of plague breaking out in the district of Ganjam, His Honour the Lieutenant-Governor thinks it would be advisable, as a safeguard against the importation of the disease into Bengal or Assam—

- (1) that all emigrants who propose to come by sea from that district should be subjected to 10 days' medical observation at the port of embarkation; and
- (2) that all emigrants coming by rail should undergo 10 days' detention and observation at the Khurda Plague Camp, notice being sent by the Magistrate of Ganjam to the Medical Officer in charge of the camp.

2. I am to ask whether, in event of an outbreak of plague unfortunately occurring, His Excellency the Governor in Council would have any objection to making the necessary arrangements for the emigrants being subjected to medical observation at the port of embarkation, and for the requisite information of the despatch of each batch of coolies being sent to the Medical Officer in charge of the Khurda Segregation Camp.

I have the honour to be,

SIR,

Your most obedient servant,

Frankly all
For Secretary to the Govt. of Bengal.
