Capt. Esabett, 1st,
Second Surgeon General Hospital
applies for privilege leave
for 3 months, ^{from 8.3.99} and states
that he is entitled to
the leave by G.O.C.C. No.
165 of 18.3.98, for service
in the Frontier Campaign
of 1897.
2. The G.O.C.C. grants
90, instead of 60 days,
privilege leave to all
all officers & subordinates
subject to military rules
who were employed
with the forces mobilized
in 1897 - the rule ap-
plicable to officers in

Civil employ is contained
in Govt. of India letter
no 1572-P dated 7-4-98,
which grants ^{at the option of Govt.} one month's
special privilege leave, in
addition to the privilege leave
admissible ~~admissible~~
under the ordinary
rules, to those who took
part in the Frontier
expeditions of 1897-98. The
difference in the terms of
the concession in the two
cases is due to the fact
that officers subject to
military rules are
allowed 60 days privilege
leave every year, & to
this the G.O.I. added
one month as a war
concession. Civil officers
who took part in the
expeditions are also allowed
an additional month,
to be taken in combination
with ordinary priv. leave,
the total being leave at
one time being restricted
to 3 months.

3. The Accountant
General reports that Capt.
Gubbitt is ~~eligible~~
eligible for one
month's privilege
leave, and that it rests
with Govt. to grant him
an extra month under
the Govt. of India Resolution
of 7-4-98, no 1572 P. He
cannot therefore be granted
leave for more than two
months at present.

4. The G.O.I. letter of
7-4-98 states that the
special leave should only
be granted to three
officers whom H.S. the
Govt. in Council considers
to have deserved the
indulgence. His Dept.
has no knowledge of
the nature of Capt.
Gubbitt's services during
the Frontier Campaign,
but his application is
supported by the Surge
Genl., who must be

certified that he is
deserving - He was ab-
on military duty from
August 1897 to May 1898
5- Leave to medical
officers is restricted as
present to those who
require it on account
of their health - Capt.
Gubbitt's application is
not submitted on
medical grounds, but
he points out that if
he is not granted the
special concession before
31-12-99, it will lapse
altogether - He also states
that this is his first
application for privilege
leave in a service of
6 years, & that he requires
the leave on urgent -
private affairs. The
Surgeon General states that
the Madras College will
close for the annual
vacation on 1 April,
& that he is submitting

But he says he wants it on
urgent private affairs -

I am afraid the leave
must be refused as
none can be granted to
medical officers at present
except on medical grounds.

At 7.3.99.

proposals for the proposed
of Capt. Gubbitt's work.
6- For orders whether
privilege leave for 2 months
may be granted (one
month ordinary & one
month special privilege
leave combined) -

Cc J.K.
4.3.99 6/3/99

I consider that the rule to
grant leave only on medical
certificates should be maintained
at present. If Capt. Gubbitt
is only taking the leave because
he will otherwise lose it, although
the case for special is only temporary
The proper remedy is to let him
order extending the concession
which no doubt India will do
in the circumstances.
