The present clerk attached to St. Bartholomew's Hospital is a private servant & has been doing Plague work from the time the District had to take part in Plague operations. I recommend strongly that an advance of Rs. 12 per month be sanctioned with effect from December 10, 1918.

COLLECTOR'S OFFICE,

Dated, 22 December 1898.

FROM

A Butterworth Esquire F.C.S.
as COLLECTOR OF
the Nilgiris,

TO

THE SECRETARY TO GOVERNMENT,

Public DEPARTMENT.
through the Plague Commissioner,
Madras.

SIR,

A

By G. O. No. 1452 dated 2nd
December 1898, the Civil Surgeon Colaba
Command has been appointed additional
District Medical & Sanitary officer
of the Nilgiri District for plague
purposes. The Civil Surgeon has now
represented that this change
involves a great deal of additional
clerical work & proposes that the
present Hospital Clerk should be
granted Rs 12 per mensem as an
allowance for doing this work.
The Hospital Clerk at present draws
a pay of Rupees 20 from the Hospital
Committee & the arrangement
suggested by the Civil Surgeon seems
to be fair and economical,
for it is no part of the Hospital
Clerk's

Clerk's duty to conduct the correspondence
relative to plague for the District
generally and a separate Clerk
for this work could not be
procured for Rs 12. The Civil Surgeon
informs me that ^{the} Clerk has time
to do the additional work. I
request that Government will
be pleased to sanction the
grant of the allowance with
effect from the date on which
the Civil Surgeon became additional
Medical Officer, that is from
the 13th December 1898. The Civil Surgeon
recommends the grant from the
1st October, apparently because
the transfer of jurisdiction was
proposed to Government in that
month but the month in
which the change took place
seems the proper starting point.
The order of Government was
communicated to the Civil
Surgeon on the 13th December.

For values

In letter no 653
dated 22.12.98, the Collector
of the Nilgiris brought
to notice that the appointment
of the Civil Surgeon Ootacamund
as additional Dist. Medical
& Sanitary Officer for plague
purposes involved a great
deal of extra clerical work,
I recommended that the
Hospital Clerk (drawing Rs
20 per mensem) should be
granted an allowance of
Rs 12 a month for doing
this work.

2. On a reference
from the Plague Commission
the Surgeon General

at he preferred the
 appointment of a separate
 clerk to attend to the
 legal correspondence of the
 Civil Surgeon, but requested
 that, until one could be
 appointed, the Hospital
 Clerk might be granted
 the Rs 12 already recommended.
 3. On a further reference
 from the Public Dept. the
 Surgeon Genl, in Circular No
 517, recommends that the
 separate clerk be allowed
 a salary of Rs 20 per mensem.
 4. In his letter of the
 22 Decr 1898, the Collector
 stated that the Hospital
 Clerk had sufficient
 time to attend to the
 extra work entailed
 by the appt. of the Civil
 Surgeon to be Addl D.M.
 & S.O. He might perhaps
 be allowed to do the
 work & draw an allow-
 of Rs 12 as proposed,
 which would be
 cheaper than appointing

a separate clerk on Rs
 20 mensem. He also
 directed for fresh Rs
 1000 Decr 98. This will be
 the Civil Surgeon's appt.
 & the Hospital Clerk
 will be Rs 12. The
 5th. The Civil Surgeon
 might be authorized to
 sign money can be
 provided to meet the
 charges.

In the C.S.

There is a provision of
 Rs 4000 in the R.E. for 1898-1900

 from which the expenditure can
 be met. In the current year there
 are savings ^{by} the change.

C. S. M. There is money avail-

able: the Hospital clerk
services can be spared.
& employ him on the
pay proposed seems
the cheapest arrange-
ment in the way.

R. 2/3/9

If the Hosp! Clerk
has so much spare time
that he can do the work
I don't see why he should
be paid extra for it.
On the other hand if he
has the extra work to
do ~~that~~ anything goes
on wrong or arrears
accumulate it will be
assigned to the extra
work.

If it is necessary a
separate clerk should be
apptd. on pay not
exceeding Rs 20.
