The Surgeon General
submits a letter from
Mr. W. H. Way, temporary
doctor, requesting permission
to return to England on
the "expiration of his
agreement on the 6 April".
In his letter, Dr. Way
says "the minimum stay
of six months terminates
on April 6th 1899"

2. Dr. Way is one of the second batch of temporary doctors who came out in Oct 1898. His agreement is put up. There is nothing in it about a permanent salary of \$600.

to the agreement states
that the Secy. of State
has appointed the party

for the period of three
months at least. Again
clause 4 of the Agree-
ment provides for
a minimum service of
three months, terminable
by a 15 days' notice
from Govt. & gives Govt.
the option of retaining the
doctor's services for a
total period of 9 months
on the same terms as Dr.
Way cannot therefore
claim to terminate his
service at the end of
six months.

3. He asks permission
to leave India on April 6th
on account of unexpected
affairs at home, & in
order to see to business
affairs. It rests with
Govt. to grant or refuse
the request. The Surgeon

Genl states that arrange-
ments can be made
for his relief -
