Ords there on N^o 481 W of 15th July 1899.

The undermentioned sums,
surrendered by the Consulting Architect
from the grants for the Meteorological works
at Kodai Kanul, will be replaced at the

Percentage charges on Rs 4600 — $\frac{1127}{5727}$.

The allotments provided for these items, in the Preliminary issue of the budget for 1899-1,00, will therefore require modification, and the Consulting Architect will report the amount required for expenditure on each of the works during the ensuing year.
