GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

CURRENT No.

READ—the following paper:—

From Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 6th February 1899, No. 138.

I have the honour to state that the concession sanctioned in G.O., No. 1107, Public, dated 23rd August 1897, will expire this year, and I am glad to say that a pretty fair number of Mussalman hospital assistants will be available when the students already entertained pass out, but as their number will still be very much below our requirements, I request that Government will be pleased to extend the concession for at least another year.

2. It will be seen from my letter, No. 474, dated 1st November 1895, that I originally recommended the grant of the concession for at least five years and my present recommendation is covered by this period.

3. As my proposal is made entirely in the interests of the public service I strongly trust that Government will be pleased to accord its sanction to it.
