 SURGEON-GENERAL C. SETHUPATI, C.B., F.R.C.P.I.
 SURGEON-GENERAL WITH THE
 GOVERNMENT OF MADRAS,
 Madras,
 10. MAR 1899
 To
 The Honorable the Chief Secretary to Government

To
THE Honorable the Chief Secretary to Government
Public Department
Madras,
SIR,

G.O. No. 14, dated 25 January 1875
 and G.O. No. 15, dated 30 January 1875 paid
 the pay of the Assistant Manager of this office
 at Rupees 100 per month and as an efficient man
 was required, and entitled to be maintained.
 The first selection happened to be a pensioner,
 and under the rules was not eligible to draw a
 higher pay than Rupees 100 in addition to the
 amount of his pension: and therefore given
 the pay of the Head Clerk viz. Rupees 100 and the
 latter Rupees 40. The change of pay was not
 however intended in any way to interfere with
 the respective appointments, positions or duties.
 (vide marginally noted Extract from this office
 Order Book). When the present Assistant Manager
 who labours under no such ineligibility was appointed,
 the above arrangements were allowed to continue to
 avoid the Clerk who had hitherto drawn Rupees 40 fr.
 being deprived of the same.

Second Clerk
of the Corporation
usually is promoted
to First Clerk on
highest pay, however
for purpose of pay only
but to rank next
to the Assistant
to the Manager."

Dated 16th September }
1895 }

2. It having, however, recently come to my notice that the designations shown for the respective incumbents of the two appointments in the returns &c that go to the Accountant General's office, were not in accordance with the arrangements and differed from the actual facts and records of this office, I ordered the discrepancy to be rectified. The Accountant General, however, raises a technical objection that the ~~part~~ of the Assistant Manager's pay to the present head clerk and vice versa is not covered by the ~~proposition~~ ~~arrangement~~ sanctioned in the R.O. I have accordingly ~~the~~ ~~directed~~ ~~to~~ solicit that the Accountant General may be directed to waive his objection so that there may be no inconsistency between the ~~records~~ in this office and those of the Accountant General's.

3. To avoid the possibility of any such confusion of pay, salaries, I wish to propose that for financial purposes the establishment of my office in future be designated as follows:
