Dear Sir,

Before I left England at the end of September last on plague duty, I was told to notify the India Office in the event of my return ticket to England not being used before date of expiration. The ticket expires on Jan 1st. I should like to know whether my return ticket can be exchanged for passage money in the case of my wishing at the end of my term here to go home by the American route.

Believe me,

Yours faithfully,

Arthur Woodward.

Med. Officer on Plague Duty.

TO HIS EXCELLENCY THE HONOURABLE THE GOVERNOR

Sir,

CHIEF SECRETARY
6 MAR 1899
GOVERNMENT OF MADRAS

With reference to a letter received from Dr. Woodward ,

Dated 15th
December 1898.

of which a copy is enclosed, I request that that gentleman

may be informed that the Peninsular and Oriental Company

have consented, on production of the unused half ticket, to

refund £35, being the difference between the value of a

return and that of a single ticket. The half ticket should

therefore be forwarded to this Office, and your Government

will then be advised on recovery of the above sum from the

Company.

I have the honour to be,

Sir,

Your most obedient humble Servant,

Dr. A. Woodward,
Temporary Plague Doctor,
at present in charge of
the Westminster Plague
Camp, under the London
Municipality, asked the
Indian Office direct, whether
his return passage ticket,
which expired on 1st Jan'y,
could be exchanged for
passage money in the case
of his wishing at the end
of his term here, to go Home
by the American route.

2. With reference to
this letter, the Secy. of State
informs this Govt. that
the P. & O. Co. have consented

on production of the unused
half ticket, to refund
£ 35. The Secy. of State does
not say whether the £ 35
should be paid to Dr
Woodward to be used
as he likes on his home-
ward journey, but ap-
parently such is the
intention. When the
Govt. of Bombay was drawing
up an agreement for the
re-engagement of European
doctors serving there, the
Govt. of India expressly
forbade the provision
of a money payment in
lieu of a return passage
in the case of doctors "who
do not return to England".
Dr Woodward intends to
return to England, but
not by the ordinary route.
3. Orders are requested
as to whether it may be
taken for granted that
the equivalent of £ 35
should be paid to Dr
Woodward on the expi-

ration of his agreement
as to whether the bonus
should be referred to
the Govt. of India. He
arrived from England on
17.10.88, so that his agree-
ment began about 1st Dec-
ber. His agreement was
for 3 months, & he may
be kept on for 9 months
at the option of Govt.
If he serves his full
term, he will leave India
about 1st July next.

The Secy. of State
On 15.3.89 communication clashes
with the instructions of
the Govt. of India. It is
submitted that in
order to have the matter
finally cleared up it
is desirable to bring to the
notice of the Govt. of
India the terms of the
India Office letter, & to
ask for definite instructions.
It is possible that all
the Govt. of India wished

to consider this payment
of passage money to
2. Boston should be no
intention of leaving India,
he also desire to pocket
the money. It can hardly
