Letter Ref. on Ccl. No. 34 d/9-2-99. *E*

The Board of Revenue forwards for the orders of Govt. a letter from the Collector of the Nilgiris in which he recommends that Mr. S. G. Roberts, I.C.S., Ag. Asst. of the Nilgiris be granted either acting or charge allowance for the period (20th to 31st January 1899 both days inclusive) during which he held charge of the Nilgiri Collectorate.

2. Mr. Roberts states that he had very real responsibilities and very heavy work thrown on him by the arrangements he had to make in connection with plague in the district and by various other urgent business.

3. Mr. Weir supports Mr. Roberts' request and recommends that Mr. Roberts be considered to have acted as Collector during the period in question or be given the allowance admissible under article

170 of the Civil Service Regulations.

4 The Accountant-General points out that if the Govt. considers Mr. Roberts to have been in charge of the office of the Collector of the Nilgiris during the period referred to, and ~~that~~ the charge in the opinion of Govt. entailed a substantial increase of responsibilities and some additional work, it may, under G.Os. c.502 Finl., d/30-3-35 and c.1105 Finl., d/10-11-35, grant him a charge allowance of not more than Rs.100 per mensem. The Accountant-General says that if Government considers that Mr. Roberts had actually to perform immediate administrative ^{ve} duties during the period, it is open to Govt. to grant him an allowance not exceeding Rs.200 per mensem under article 170 of the Civil Service Regulations. ⁵ These orders referred to by the Accountant-General contain a standing rule that when an officer of lower grade than full or acting Sub Collector happens to hold charge of a Collector's office for periods less than 12 mths he shall draw charge allowance at the rate of Rs.100, and that acting allowances or charge allowances exceeding Rs.100 will not be passed except in those very exceptional cases where the officer concerned has actually to perform important administrative duties. It will be seen that under article 170 of the C.S.R. Mr. Roberts can be granted a higher allowance than Rs.100, ~~and considering the fact that he had to~~ ^{if Govt. locate the case as an exception to the G.Os of 1885/6} perform responsible duties in connection with

... of ... and ...

... he is a heavy responsibility thrown on him.

This appears to
plague arrangements &c ~~which~~ constitute important administrative ~~conten-~~ ^{which such as civil} plated in the latter part of G.O.502 Finl., d/30-3-35, and the articles in question. It is submitted that Mr. Roberts may be granted the larger allowance, viz, Rs.200.

Orders are solicited.
