Copy of letter from the Resident in Travancore and Cochin Ref. on C.No.617, dated 6th March 1899:-

I have the honour to submit herewith for the orders of Government copy of a letter No.153/M, dated 21st instant from Major J.W. Evans, Ag. Durbar Physician, requesting a kind reconsideration of G.O.No.1, dated 2nd January 1899 which sanctions him to him a salary of Rs.975 only during the time he officiates as Durbar Physician.

2. Major Evans claims the full salary of the appointment viz. Rs.1,200 on the ground that the Travancore Dewan in his letter No.7166/G.3061, dated 3rd December 1898, agreed to pay to the acting officer Rs.1,200. He also states that as the Travancore State pays no contribution to the British Government towards the pension or leave allowance of Major Thomson the whole staff salary is available, and that he should therefore be given the benefit of Article 134 of the Civil Service Regulations under which, if the whole salary is available he may draw it.

Copy of letter from the Accountant-General, Madras, G.95/609, dated 19th April 1899:-

With reference to your endorsement No.876, dated the 27th of March 1899, referring to me for report letter from the Resident in Travancore and Cochin submitting Major Evans' claim for the full salary of the appointment of Darbar Physician in Travancore, I have the honour to state that as Major Evans has been appointed to act as Durbar Physician during the absence of Major Thomson on furlough, his salary was calculated under the ordinary rules and fixed at Rs.975, per mensem. The full staff salary is not available and the difference between the pay of the appointment Rs.1,200 and the salary allowed to Major Evans is payable to the British Government under article 839, Civil Service Regulations, in part payment of Major Thomson's leave allowance which is wholly met out of the British Revenues.
