I cannot see why any grant should be made now or hereafter. The existing capital appears to be amply sufficient to meet all the claims that can possibly fall on the fund. We need not however anticipate the future. For the present there is no ground for any grant.

In the Court of the District Judge, Civil and Military Station of Bangalore

Before P. S. Krishna Rao, Esquire, B.A., B.L., District Judge.

Original Suit no: 115 of 1899.

Plaintiff
Mr. A. M. Elight
Collector of the Civil
and Military Station
of Bangalore

Defendant
The Reverend C. H. Wright, M. A., Chaplain
of St. John's Church,
Bangalore and Honorary
President of the Bangalore
Pensioners' Widows' and Orphans' Fund.

Suit under Section 539 of the Code of Civil Procedure.

(1) For the Appointment of Trustees to administer the Charitable Fund known as the Bangalore Pensioners' Widows' and Orphans' Fund,

(2) For settling a scheme for the management of the said Fund;

(3) For giving such other proper directions as to the Court may seem fit and proper in

regard

regard to the administration of the said Fund.

The plaint is as follows:—

(1) That the plaintiff is the Collector of the Civil and Military Station of Bangalore and has been empowered by the Local Government of the said Station to exercise for the purposes of this case all the powers of the advocate or General conferred on that Office by Section 504 of the Code of Civil Procedure Act IV of 1902.

(2) That the defendant is the Chaplain of St. John's Bangalore and has as such become the Honorary President of a Charitable Fund known as the Bangalore Pensioners' Widows' and Orphans' Fund under the circumstances hereinafter set forth.

(3) That the said Bangalore Pensioners' Widows' and Orphans' Fund was established in or about January, 1854 but the earliest record extant regarding the said Fund is dated the 22nd September, 1855.

(4) That the object of the said Fund is to

to provide for the support of the widows and legitimate orphan children of pensioners from the British Forces in the Madras Presidency residing in Bangalore and who subscribed to the said Fund.

(5) That the Rules of the said Fund were framed and added to from time to time as appears from the record of the Proceedings of the meetings of the Members recorded in a Book dating from the 22nd September 1855 and known as the "Order Book".

(6) That it does not appear at what particular place or places in Bangalore the first three General Meetings of the said Fund were held but it does appear that the first General Meeting recorded in the said Book was held on Saturday the 22nd September 1855 at which "The Registrar" acted as the pro tempore President and the first set of Rules in the said book is signed by "B. S. Clarke

Chaplain

Chaplain St. Marks". The Second General Meeting recorded in the said book was held on the 14th January 1856 and the proceedings are signed "B. S. Clarke Chaplain St. Marks", and the Third General Meeting was held on the 25th January 1856 and the proceedings are signed "A. J. Rogers M. A. Chaplain of Trinity".

(19) That on the 16th September 1854 the Board of Directors of the Honourable the East India Company authorized the Government of Madras to make to the ^{said} Fund "an Annual subscription of Rs. (300) three hundred rupees provided an equal sum is realized by private subscriptions or donations to be continued as long as you may consider the Charity to be worthy of Government Support" and the Government of Madras thereupon directed that "to enable the Government to judge of the propriety of continuing the grant from year to year the 'Committee' will be so good as to furnish them Annually with a full report of the Charity." Accordingly the Committee has

has up to date, furnished the said Annual report and the said grant of Rs. 300 has been made on with held according to circumstances.

(20) That at the General meeting held on the 6th February 1854 it was resolved that the future meetings of the Fund be held at the Reading Room, Moorocherry (in St. John's Hill Bangalore) and this plan was then adopted as the meeting room, the certificates after this being signed up to and including those of the meeting of the 20th April 1854 by "J. Walter joint Chaplain of Bangalore and up to and including the meeting of the 27th of January 1856 by J. Vivian Bull, M. A. joint Chaplain of Bangalore."

(21) That at the meeting of the members of the said Fund held on the 15th March 1860 the proceedings of which are signed "J. Vivian Bull, M. A. Chaplain" &c.

set 2

Act. of Rules for the management of the said Fund as recorded in the said Order Book was read duly weighed and approved and by Rule 33 therein it was directed that "every Chaplain of St. John's Church Bangalore shall be written to requesting him to become President of the Fund."

(10) That the said Reverend J. Vinton Hall, M.A. was appointed Chaplain of St. John's Church in 1860 and from the meeting of the 19th January 1860 up to date the proceedings have been signed by the Chaplain for the time being of St. John's Church as President of the said Fund except on one or two occasions.

(11) That at a meeting held on the 16th February 1883 the proceedings of which are signed "Henry Pope Chaplain of St. John's Honorary President" it was resolved that 100 copies of the Rules of the Fund be printed and circulated and this appears to have been

584, 21 - accepted 1st Oct

(12) That the accompanying copy of the Rules is one of the said printed copies so printed and circulated in 1883.

(13) That the number of subscriptions to the fund has gradually decreased owing to resignations and deaths among them and since January 1894 there is only one subscriber left namely James Hornsfield of Bangalore.

(14) That there is no Vice-President or Secretary or Treasurer or Committee and the management of the Fund including the manner of investments of its money is solely in the hands of the Chaplain for the time being of St. John's Church.

(15) That the said Fund has not been registered under any Act of Government so as to give it a corporate status.

(16) That on the 31st September 1895 the assets of the said Fund were as follows:

(a) Invested in loans Rupees 8,561-0-0
(b) Cash in hand 3,894-4-8

Total Rupees 12,456-10-8

And the following twelve Widows receive pensions from the said Fund at the rate of six rupees per mensem, namely,

1. March E, born 1833 Admitted 1869.
2. Reporth E, born 1820 Admitted 1869.
3. Glendinning, C, born 1829 Admitted 1871.
4. Leonard C, born 1830 Admitted 1871.
5. Long M, born 1821 Admitted 1873.
6. Baker S, born 1821 Admitted 1877.
7. Clark R, born 1823 Admitted 1877.
8. Holt M, born 1845 Admitted 1882.

11. Brien S, born 1846 Admitted 1889.
12. Band M, born 1833 Admitted 1893.

(17) That the wife of the only subscriber now alive referred to in para 13 above will be entitled to a pension should she survive her husband and excepting this the number of pensioners cannot be increased and the calls on the Fund will be gradually decreased till there

there are no pensioners left.

(18) That the present mode of investing the moneys of the said Fund in sundry ~~is~~ is not safe and has resulted in losses to the said Fund in some cases and further the recovery of the outstandings has been found to be tedious and expensive.

(19) That it is impossible and unsafe and certainly inexpedient to allow the said ~~Fund~~ to be managed as heretofore and the Local Government of the Civil and Military Station of Bangalore with the consent of the Government of Madras has authorized the plaintiff to pray this Court to formulate and settle a scheme for the future management of the said Fund.

(20) The plaintiff therefore prays that the following persons may be appointed Joint Trustees of the Bangalore Pensioners' Widows and Orphans' Fund, namely —

being of the said Church.

all kinds whatsoever and however acquired
present and prospective be vested in the said
Trustees for the said Fund and that the said
Trustees be empowered to manage the said Fund
and to receive subscriptions thereto and to call
in and collect all the outstandings of the said
Fund and be directed not to lend out the
said moneys as has heretofore been done.

(22) The plaintiff further prays that the
following scheme for the management of the
said Fund be settled and confirmed
namely

(I) That all the moneys of the said

Fund be collected and from time to time
invested in any of the methods laid down in
Clauses (a) (b) (c) and (d) of section 20 of the Indian
Trusts Act II of 1882 as may be considered most
advantageous by the majority of the Trustees the
Chaplain to have the casting vote in case of a
difference of opinion always preserving in hand
a cash balance sufficient to meet current ex-
penditure.

2. That from the interest accruing to the
Fund in any way whatsoever and from the
Capital stock when necessary the following
twelve widows and the wife of the said
James Hornsfield on her becoming a widow
be each paid a pension of Rs 100 per annum
as presented by Rule 10 of the Rules referred
to in paragraph 12 of this plaint namely

4. That the Trustees be empowered to

to frame a set of bye-laws for their own guidance not inconsistent with the Rules above framed and referred to in paragraph 12 of this plaint.

5. That the Court will give all the proper directions in the premises as to it may seem fit and proper.

6. And that the Court will direct the payment of the costs of this suit from out of the said Fund.

2. The defendant files the following written Statement:-

(1) That he has carefully read and considered the plaint filed in this matter.

(2) That the allegations and the facts set out in the plaint regarding the Bangalore Pensioners' Widows' and Orphans' Fund are so far as the defendant is informed correct and true.

(3) That it is absolutely necessary that the relief proposed by the plaintiff should

be

be granted and as speedily as possible.

(4) That there is no objection to this Court passing a decree in the terms suggested by the plaintiff in paras 20 (1) (2) (3) 21 and 22 (1) (2) (3) (4) (5) and 6 of the plaint.

(5) The defendant ~~prayed that~~ this Honorable Court will be pleased to pass a decree in the aforesaid terms to enable the Trustees to regulate the future management of the said fund according to Law.
