OFFICE OF SURGEON-GENERAL

No. C

WITH THE GOVERNMENT OF MADRAS,

From

SURGEON-GENERAL G. SIBTHORPE, C.B., F.R.C.P.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to G.O. NO. 240 Public, dated the 27 th February 1899,, I have the honor to state that Doctors J.B. Anderson and A. Woodward, Medical Officers in charge of Plague Hospitals at Egmore and Krishnapett respectively apply to me again for the grant of conveyance allowance.

2. The reasons set forth by them are that they were employed by the Madras Municipality for inoculating and were obliged to attend daily at places, great distances from each other and from any possible residence.

3. In order to carry out this work efficiently whenever required it was found necessary to purchase a pony and conveyance the ordinary hired gerry having proved to be quite unreliable.

4. In this connection Dr. J.B. Anderson states that for the last time when he was required to go to the Tiruvetore High Road inoculation station and back, distance of ten miles, he had to walk a considerable part of the way each of two gerries refusing to drive him so great a distance at the ordinary rates.

5. Major Bannerman, I.M.S., Superintendent of Plague Hospitals, Madras, in forwarding the applications reports that these officers had a large amount of travelling to do in connection with inoculation and a grant of conveyance allowance seems therefore necessary.

6. I learn from the enclosed copies of letters that the Medical Officer in charge of Plague duty in Calcutta and Bombay are granted a conveyance allowance of Rs. 150 and Rs. 50 per annum respectively. It is suggested that a similar concession should be granted to the Medical Officers in Madras, in forwarding

3. I may further add that the Health Officer of the Municipality draws a carriage allowance of Rs. 50 per mensem.

For order

In G.O. No 240 Public
dated 27.2.99, the grant
of a conveyance allowance
to medical officers in
charge of plague hospitals
at Madras was refused.
Please see also the notes
at it.

2. The Surgeon Genl^l now recommends the grant of conveyance allowance to Dr Anderson and Woodward, temporary medical officers in charge of the Plague hospitals at Saguna & Krishnamabettu

have to travel long distances
within the town for in-
spection work. Copies of
letters are submitted
showing that medical
officers employed on; one
day at Calcutta are
granted a carriage allow-
ance of Rs. 150, & those at
Bombay, Rs. 50 per
month.

3. As pointed out by
the Asst. Secy on the previous
application, the grant
of conveyance allowance
will require the sanction
of the Govt. of India under
Art. 125 of the C.O.

4. In G.O. No. 1257 dated
20.12.98, conveyance
allowance was refused to mil.
officers employed as
Plague Supts. at Madras,
& in G.O. No. 177 Public 57
11.2.99 it was refused
to Major Rivers, M.D., who
was then doing

duty as Supt. of Plague
Hospital, Madras.

5. Orders are requested
as to whether an exception
can be made in the case
of Dr. Anderson and
Woodward. For the reasons
given in the Surgeon Genl's
letter.

On Sat. has all along
been refused to grant
conveyance allowance - &
it is submitted that the
reasons which led to this
decision in G.O. 573
G.O. d. 5.5.99 - namely
that when plague & plague
work is decreasing it need
be out of place to increase
expenditure, partly held
good in this case also.
The expense of living in
Bombay & Calcutta is
greater than in Madras,
and there is therefore not
the same necessity here
for increasing the emolument.

of extra allowances.

At. I do not think
any case has been

made out for the front of
conveyance allowance - There
is no insulation worth having
in houses & less plague -

The applⁿ should
be refused.
