Ootacamund

Sir,

I have the honour to
submit the following for favour of
orders:—

I have been giving 200 Rupees to my
wife monthly since last year towards
her dowry and she has been out of
it paying since December last 50 Rupees
for 25 shares in the Egmore Benefit
Fund Limited, Madras in the name
of my little son Jawad Hussain Khan
aged $6\frac{1}{4}$ years through me as his
agent and guardian. The object

The investment is to provide funds for the expenses of employing an Arabic and Persian Murolavi (Priest) ~~and~~ to accompany my son when the latter goes to England for education, and the condition on which these 50 Rupees are paid is that if I should pay at the rate above mentioned for 60 months, the Fund should at the end of the term pay my son his accumulated subscriptions and profits at the rate of 6 per cent per annum in a lump sum. I take no part whatever in the management of the business of the company.

2. I respectfully beg to enquire whether the payment of these 50 Rupees for those 25 shares by me as my son's agent and guardian to the said Fund should find a place in the annual return of shares in companies submitted to Government.

3. My fourth daughter aged 16 who was married in October 1897 to the Subadar Major of the 14th M. N. I. the late Hookhisally Khan, became unfortunately widowed in February 1898 and inherited a small mangroved

goosebury garden of 4 acres near Kodampasam,
I understand, as her dowry from her
deceased husband. She has adopted his
nephew aged 4 years a son of her third
sister who was married to his younger
brother my third son-in-law, and —
Inspector of Police South Arcot. I have
no interest whatever in the said garden
which goes to her adopted son, and respect-
fully request the favour of instructions
as to whether this should be shown in
the return of lands submitted by me
Government.

I may respectfully submit that in 1896 I solicited orders as to whether the payment of 50 Rupees a month under circumstances ^{similar} to those above referred to made by me to the said Fund in the name of my wife as her agent for the marriage of one of her daughters, and also as to the inclusion of her two ancestral houses given to her by ^{me} either as a gift was to be ^{included} in the annual Return.
