How does this appear?

The change in the
status of the Surgeon Genl's
Secretary is not to take
effect until the present
Surgeon Genl. vacates his
office, & there appears to
be no objection therefore
Surgeon Genl. Sutherland
deferring his proposals
until he is about to be
relieved - all that is
necessary is to nominate
an officer to fill the office
of Personal Assistant under
the new conditions, & the
Surgeon Genl. states that
Capt. Donovan is willing
to perform the duties

until he can be provided
with a more suitable
- Capt. Donovan
or any other officer of suitable
rank, who may be available
later on, can be suggested
to the Post of Personnel Dept.
after the question of Surgeon General
Sibthorpe's successor has been
settled.

CS Submitted that there is
nothing now to be done but
to send the letter.

Case 1501 Public

I think it is right.

NOTE FOR THE UNDER SECRETARY.

With reference to
the Chief Secy's question on
the note for orders below,
attention is respectfully
invited to para 8 of the
"notification" printed with
No. 670 Public D 25.6.11.
It is there said that "the
Post of Secy to the Surgeon General
with the Post of Under Secy
will be retained for the
present incumbents of the
office of Surgeon General" + +
"and when the present
Surgeon General vacates
their appointments, their
successors will not have
Secretaries but only Personnel
Assistants". The change
will not therefore come
into effect until Dr
Sibthorpe vacates office.

CS 11/11/1911 I do not
think this
point for your doubt.
but it may pass.
