G.O., No. 613, 5th June 1899.

JUNE.

Medical examination of employes of the Federated Malay States.

Communicating to the Surgeon-General, for information and guidance, letter from the Government of India forwarding with certain instructions letter from the Secretary to the High Commissioner, Federated Malay States, regarding the medical examination of employes of the States who may desire, when away from the States, to retire from service or obtain an extension of leave.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From R. NATHAN, Esq., Under Secretary to the Government of India, Home Department—Medical, to the Chief Secretary to the Government of Madras, dated Simla, the 22nd May 1899, No. 892.

I am directed to forward, for the information of the Government of Madras, a copy of a letter* (and enclosure) from the Secretary to the High Commissioner, Federated Malay States, regarding the medical examination of employes of the States who may desire, when away from the States, to retire from service or obtain an extension of leave. I am to ask that, under the orders of the Governor in Council, effect may be given to the request of the High Commissioner that a Medical Board may be appointed to examine employes of the States residing temporarily in the Madras Presidency in the event of an application for such examination being received by His Excellency in Council. In such cases a fee of Rs. 16 should be paid by the person desiring to be examined by the medical officers forming the Board.

ENCLOSURES.

From the Secretary to the High Commissioner, Federated Malay States, to the Secretary to the Government of India, Home Department, dated Singapore, the 17th March 1899, No. G.R.-181-99.

I am directed by the High Commissioner to forward, for your information, copy of a circular which is about to be issued in the Federated Malay States, regarding the medical examination of Government employes whom it may be desirable to examine medically with a view to retirement or extension of leave.

2. The High Commissioner trusts that you will, in the event of any such application being received by your Government from the residents of the Federated Malay States, be kind enough to cause a Medical Board to be appointed, such fee being payable to the officer, or officers, forming the Board as you may consider proper.

Copy of Circular.

In future, whenever it is necessary for any Government employe on leave outside the State which he serves to be medically examined with a view to retirement or extension of leave, an application should be addressed by the Government which employs the officer to the Government of the country in which such employe is temporarily residing, so that the officers comprising the Medical Board may be appointed by the Government and not selected by the officer himself. The Government employe is held responsible that he makes the application to his Government in sufficient time to admit of the request for the Board being sent to the Colony where he is residing on leave before the expiry of his leave of absence. Failure to do this will entail, in the absence of good cause shown, loss of salary.

ORDER—No. 613, Public, dated 5th June 1899.

Communicated to the Surgeon-General for information and guidance.
