With reference to Memorandum on Reference on G.Nos. 5418 and 4801 dated 25th May 1899 dealing with the reduction of the plague establishment, I have the honour to recommend:—

Para 2 . That the services of one Military Officer be dispensed with, and that for preference the services of Lieut. Bliss be retained as he has had more experience in plague duty.

Para 3 . That the services of two Medical officers and one Assistant Surgeon be dispensed with for the present.

Para 4 . Strictly speaking there is no ambulance staff but there are four Hospital Assistants who are attached to the Plague Officers for Ambulance duty, but as they are now assisting in plague inspection their services cannot be dispensed with.

Para 5 (1) . That one nurse be retained on a lower salary and that the services of one be dispensed with. That the Hospital Assistant be retained.

5 (2) . One of the Assistant Surgeons referred to in para 3 above is at Parashore Plague Hospital and it is his services that I propose to dispense with. The salary of the nurse may be reduced but the Hospital Assistant should be retained as he is doing duty at Parashore station.

5 (3) . Agree. That the services of the nurses be dispensed with and one nurse retained on a lower salary. That the services of the Hospital Assistants be retained as they are often called upon to do duty at Parashore. That the services of the purveyor be retained.

NOTE FOR THE CHIEF SECRETARY.

5 (4) . That the Hospital Assistant be retained.

5 (5) . The Mysore Caste Hospital Committee will be informed that the salary of the Hospital Assistant will not be paid out of Municipal funds.
