27th of September 1898 and para.
2 of G.O. No. 3174 W., dated 12th

that no definite orders have

is yet been issued to carry out the necessary alterations in the old European Tailors' building for the accommodation of this office. I submit that the approaching monsoon will aggravate the inconveniences consequent upon inadequate office accommodation and will, to a certain extent, interfere with the work of the office. I therefore request that Government will be pleased to sanction, with effect from 1st July 1899, the increased office rent of Rs 40 applied for in Dr. Hultzsch's letter No. 132 dated 22nd April 1898 (printed in the first of the G.O.s quoted above) if it is

is found impracticable to
arrange at an early date
for the accommodation
of this office in the Tail
buildings. In his letter No. 348,
dated 28th September 1897,
Dr. Hultsch submitted a
detailed description of the
smallest accommodation
that will suffice for his office.

I have the honor to be,
Sir,

Your most obedient Servant,
