To

The Chief Secretary to Government,

Fort Saint George,

MADRAS.

Sir,

I have the honor to inform you that there are two electric bells, one in my quarters upstairs and the other in my office downstairs, connected by a speaking tube to call me up out of office hours, more particularly at nights, if I am urgently required in cases of fire, grave crimes &c.

2---- The bells are also used when I am required in the Office to attend to and to pass orders on urgent matters during the holiday.

3---- As the bells are very necessary and are used exclusively for public purposes, I request that Government will be pleased to issue orders to the Telegraph Department to keep them in working order in the same way as done with the telephone in my Office. The expenditure on this account will be very small, viz, keeping the batteries in order.

I have the honor to be,

Sir,

Your most obedient servant,
