Public DEPARTMENT.

SIR,

Under the last sentence of G.O. No. 159 P dated 31st January 1898, I have the honor to request that Government may be pleased to accord sanction to the early entertainment of the additional establishment at the Lepet Hospital proposed in my letter No. 496 dated 3rd December 1897. The necessity for this addition, already recognized by Government, is emphasized by further experience; while the instances of numerous irregularities in the management of that institution furnish one more cogent reason for the immediate appointment of a Hospital assistant, with a view to a part of the work now done so unsatisfactorily by the Stew.
