3 Enclosures.

With reference to your letter No. 6 dated the 17th April 1899, I have the honour to forward a plan & estimate, the latter amounting to Rs 2735/- for improving the Resident Assistant Surgeons quarters.

Although the total area of accommodation in the building as it stands is somewhat in excess of the scale to which the occupants is entitled the rooms are small, badly arranged and ventilated and I consider that it is altogether an uncomfortable residence especially for a married man with family.

I may mention that the quarters were not specially designed for

residence of a Medical warrant officer.
It was an old building existing on the
ground purchased for the Maternity
Hospital & it has been utilized.

The alterations I proposed
would greatly improve the quarters.

As it will require the
sanction of the Government of India
to carry out the improvements, I
request that you will be good enough
to move the Surgeon General to obtain
the same.

I have the honor to be
Sir
