JUNE.

Military measures for the restoration of order in cases of disturbances.

Communicating to the departments of the Secretariat concerned letter from the Government of India stating that the Lieutenant-General Commanding the Forces is the officer who should be addressed by Civil or Political authorities regarding —.

## GOVERNMENT OF MADRAS.

## PUBLIC DEPARTMENT.

READ—the following papers:—

From the Secretary to the Government of India, Military Department, to the Chief Secretary to the Government of Madras, dated Simla, the 5th June 1899, No. 762-B.

It has lately come under the notice of the Government of India that the procedure laid down in paragraph 56 of the "*Schedule of procedure for the conduct of correspondence connected with the Quartermaster-General's Department on the inauguration of the New Commands*," copies of which were forwarded to you with the Quartermaster-General's letter No. 852-B., dated the 26th March 1895, has not, in all cases, been strictly observed.

2. The Governor-General in Council therefore desires to impress upon Local Governments and Administrations that the Lieutenant-General Commanding the Forces is their responsible adviser, and that in the case of disturbances, arising within the borders of British India or adjacent thereto, they should address that officer regarding the military measures for the restoration of order. This procedure does not, of course, apply to cases in which a Civil or Political officer calls on a local Military Commander for the services of troops when military aid is required without delay, as laid down in Army Regulations, India, Volume II, Section XXVII (paragraphs 4 to 9, Provisional issue). But in such cases the Lieutenant-General Commanding should always be informed at the earliest possible moment of the objects and wishes of the Civil or Political authorities.

EXTRACT from schedule showing procedure for the conduct of correspondence connected with the Quartermaster-General's Department, on the inauguration of the New Commands, as approved by the Government of India in Military Department No. 1064-B., dated 21st March 1895.

(56) *Arrangements for the movement of troops, transport, supplies, &c.*

Ordered by Army Head-Quarters on instructions of Local Government or Government of India, local military authorities taking all executive action.

If within the border, Lieutenant-Generals Commanding will dispose of the matter in communication with Local Governments and report to Army Head-Quarters if necessary.

If beyond the border, involving large or extended operations, the procedure prescribed under "Field Operations" will be followed.

ORDER—No. 707, Public, dated 24th June 1899.

Communicated to the departments of the Secretariat concerned in continuation of G.O., No. 930, Public, dated 12th November 1895.
