Office of Surgeon-General
 WITH THE GOVERNMENT OF MADRAS,
 Madras, June 1899

From
 Surgeon-General F. Sibthorpe, C.B., F.R.C.S.,

Surgeon-General with the
 Government of Madras,

To

The Hon'ble the Chief Secretary to Government,

Public Department.

Sir,

With reference to para 2 of G.O. No. 493, Public, dated the 3rd May 1899, I have the honor to address again Government on the subject of a bicycle required for the peon of the Lunatic Asylum, Madras.

2. The chief reasons set forth by the Superintendent for the necessity of a bicycle are that the peon's errands have nearly trebled during the last four years and that he has also other duties viz:-

- (1) To look after the office.
- (2) To print a large number of Asylum forms.
- (3) To rule papers for Asylum use.
- (4) To carry the incessant orders and messages from the Asylum office to the various members of the staff in the different sections.

The work as detailed above occupies his time from 5-30 A.M. to 4 P.M. without any break for meals; in addition to the office work he has to carry letters and bills to the several public offices in the Presidency Town, Merchants in Black Town, shops in Mount Road, and to other hospitals as happens every day.

3. Under these altered circumstances, a bicycle or an extra messenger is absolutely necessary - and as the latter will be a source of permanent expenditure to Government, I recommend the use of a bicycle and trust that

will now be pleased to sanction it.

I have the honor to be,

Sir,

Your most obedient servant,

P. S. S. S.

Surgeon-General,

Surgeon-General with the Government of
Madras.

C. No. 1764 From the Surgeon General No. 72/259 dated 18-6-1899

Order No. 724 of 29-6-98.

The Govt. does not
consider it necessary to
supply the person of the under
mentioned person with a
baggage. The post office
can be employed for
the transmission of ordinary
letters, & a further way
be allowed in case of
special urgency -
