SIR,

WITH reference to your letter No. 1322 (Public), dated the 6th October 1897, I am directed to invite your attention to this Department Resolution No. 1084, dated 12th May 1897, announcing the number of Civil Surgeoncies to be reserved for Civil Assistant Surgeons in different provinces.

2. I am also to state that the Government of India do not think it desirable to make Coconada a List II appointment and to place it in the medical charge of a Civil Assistant Surgeon as this would intrude on the war reserve of officers of the Indian Medical Service. The number of Civil Surgeoncies to be reserved for Civil Assistant Surgeons in Madras has, therefore, been left at five.
