PUBLIC DEPARTMENT.

READ—the following paper :—

From A. REA, Esq., F.S.A. SCOT., M.R.A.S., Superintendent, Archaeological Survey, Madras, to the Chief Secretary to Government, dated Bangalore, 23rd June 1899, No. 159.

With reference to G.O., No. 674, Public, dated 7th August 1891, I have the honour to submit a tour programme for the year 1900-1901.

2. The survey work proposed for the current year, and sanctioned in G.O., No. 883, Public, dated 11th July 1898, was to be in the Malabar district. Last year's operations were principally carried on in the Tinnevely district, where, on account of the large number of interesting remains, and also through a curtailed working season,* it was found impossible to overtake everything necessary in the one season.

*Vide G.O., No. 1405, Public, dated 21st November 1898.

3. As much requires yet to be done in the Tinnevely district, I would propose that the current year's work be continued there; and the Malabar district be visited during the year following.
