ORDINARY M.S.

G.O., No. 771

Dated 12-2-18

INDEXED.

C

[Despatch Abstract.]

Coming to the AG. for PWD
passing orders on certain questions raised
in connection with the abolition of the
Duggirala Dispensary, & the transfer of
the services of the Hospital Asst attached
to it to the PWD in the Kistna Dist for
attendance on P.W. employees in that
dist.

despatched to Madras without extra expense may be sold
by auction at Bezwada

(5) whether the pay of the Hospital Assistant may continue to
be drawn in the Kistna Western Division as hitherto, as
provision has already been made in the Temporary estab-
lishment statement submitted from that office.

3. Questions (1) & (2) The Government is pleased to sanction
the grant to the Hospital Assistant of charge and house rent
allowances at Rs.10 and 5 respectively.

Question (3) The hospital servant is disallowed and the
retention of the peon on Rs.6 is sanctioned.

Question (4) The Superintending Engineer is requested to
place himself in communication with the Surgeon General on the
subject and to effect the best arrangement possible.

Question (5) This question is answered in the affirmative.

4. In his second letter read above, the Superintending Engi-
neer reports that the Hospital Assistant has engaged a small
building on a monthly rental of Rs.6 in which his medicines,
appliances and hospital furniture are stored, and that he dis-
penses medicines and prescribes for coolies and other employees
at this place. The Superintending Engineer thinks that some
dispensing and store room should be maintained at Bezwada where
the furniture and fittings removed from Duggirala may be stored
and that the Hospital Assistant should be allowed the same --
establishment as at Duggirala, viz, one peon on Rs.6 and one
servant on Rs.5. This question of allowing the Hospital Assis-
tant a peon and a servant has been answered in paragraph 3 --
above. The Government observes that if the ^{other} ~~above~~ proposal of
the Superintending Engineer is sanctioned, it will not only
defeat the object with which the dispensary at Duggirala was
abolished, but will also involve Government in additional ex-
penditure. Moreover, there is already a dispensary at Bezwada
and there thus seems to be no necessity for the Hospital Assis-
tant attached to the II Circle to dispense medicines at this

place. The Government is therefore not prepared to sanction the proposal of the Superintending Engineer that a dispensary and store room be maintained at Bezwada. But the Hospital Assistant will be allowed a portable medicine box, large, No.1 referred to in para 1041 of the Civil Medical Code. The Superintending Engineer will indent on the Medical Stores for this box. 5. The rent of the dispensary already incurred, i.e., up to the date of the receipt of this order by the Superintending -- Engineer, is sanctioned.

 In para 5 of G.O. No.1595 W dated 27th June 1898, it was decided to abolish the Duggirala Dispensary, and to allow the Public Works Department, in the Kistna District a Hospital Assistant with a medicine chest in accordance with paragraph 67, Chapter IV, Volume I of the Public Works Code. The head quarters ~~at~~ of this Subordinate were placed at Bezwada, and his pay was to continue to be met from the Public Works Budget, and his duties were to proceed to any part of the Kistna District where his services may be required for attendance on Public Works employes. The object of abolishing the dispensary was to reduce the Government outlay on dispensaries.

2. The Hospital Assistant of Duggirala has joined Bezwada, and the following questions are now raised:-

- (1) whether the Hospital Assistant is entitled to a charge allowance.
- (2) whether he is entitled to house rent in lieu of free --- quarters.
- (3) whether there is any further necessity for a hospital -- servant and a peon
- (4) whether the medicine &c, in excess of those required for completing the medicine chest may be transferred to the Medical Stores, and the cost therefor reclaimed; and whether the empty bottles which cannot be conveniently
