The Chief Secretary to the Government of Madras.

Dated Bangalore, 10 July 1899.

SIR,

The Government of Madras are aware that on more than one occasion the services of Hospital Assistants have been transferred from Madras for duty in the Civil and Military Station of Bangalore: the last such occasion being in January 1896, vide correspondence ending with your letter No.280-sub. dated 25th February 1896.

2. There is now a vacancy for a 3rd grade Hospital Assistant in the Bowring Civil Hospital, an institution no longer under the Municipality of the Station but maintained by the Government of India. It has been ascertained from the Surgeon General with the Government of Madras that the services of 3rd Class Hospital Assistant M.Venkatarangum Pillai can be spared to fill this vacancy, which has been caused by the absence on sick leave of a Senior Medical Subordinate, who has been granted leave to the 1st October next. It is possible that this leave will be extended to the end of the year, when the Medical Subordinate will probably return from his leave.

return to duty.

3. In these circumstances I should be obliged if the Government of Madras would place at my disposal the services of Hospital Assistant P. Venkatarangum Pillai referred to above, as soon as convenient.

I have the honor to be

Sir,

Your most obedient servant

Offg Resident.
