PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Letter from the Superintending Engineer, Trish Circle, No. 816 V3 dated 2/21 June 99.

With reference to your No 2271 dated 6th May '99, I have the honour to inform you that there has been considerable delay in repairing the Lunatic asylum buildings, but the delay was unavoidable.

2. There is so much work going on in Waltair and Vizagapatam, at present, both original and repairs, that it is impossible to procure sufficient labour for all, and although the Assistant Engineer has been almost shut on the work, progress is, of necessity slow.

3. One work was completed, but while dismantling the verandahs for repairs, it was found that the walls are in a very dangerous state. I recently inspec

have therefore ordered another block to be dismantled, and if it is found that the building is in the same condition as the last, it is probable that different arrangements altogether must be made.

The Superintendent moreover proposes certain alterations, which will materially reduce the scope of the estimate.

Order thereon: N^o 1758 W dated 8th July 1899.

Communicated to the Public Department, with reference to para 2 of G.O. No. 553 Public dated 24th April 1899.
