Sir,

I have the honor to enclose herewith the
reply of the Asst. General Madras to whom
reference was made regarding my allowance
as Addl. Med. Officer, Cotacamund, & to make
the following remarks, with a request that
the Surgeon General with the Govt. of Madras
may be pleased to favorably consider the
same & to address Government to remove
the harshness, in which I have been placed.

- When accepting the appointment of
Addl. Med. Officer, Cotacamund I was not
aware of the recent order of Government
curtailing the all allowances & if I had
known of it I would not have accepted the appointment.

pay of the appointment, viz. Rs 350/- & not to
any acting allowance as ruled by the Asst.
General.

I beg you will be pleased to lay the above 4.
remarks before the Surg. General with the
Govt. of Madras for his favorable considera-
tion & that if I have construed the mean-
ing of the recent ruling of Government
wrongly I am not entitled to the mini-
mum pay of Rs 350/-. to kindly lay the
matter before Government so that Govern-
ment may be pleased to make a spe-
cial exemption regarding the pay & allow-
ance to the Asst. Medl. Officer, Botacamund,
considering the dearness & high cost of
living out here & that Botacamund may
be exempted from the recent rule & be
brought under the old rule of local
allowances permissible to Asst. Surgeons
according to their grade.

OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Temp Ootacamund 14 June 1899.

From

SURGEON-GENERAL C. SIBTHORPE, C.B., F.R.C.F.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

I have the honor to forward for the orders of Government the accompanying representation from Assistant Surgeon A.J. Hesterlow, Additional Medical Officer, Ootacamund, against the ruling of the Accountant-General that the Assistant Surgeon is only entitled to an acting allowance at Rs.70 being 1/5 of Rs.350 the pay of the appointment and not to the full pay.

2. The Accountant-General's letter is attached to the Assistant-Surgeon's communication.

3. On receipt of the correspondence I referred it first to the Accountant-General pointing out that the addendum he quotes says that "a Civil Assistant Surgeon in temporary charge of a Civil station is entitled to draw acting allowance on the minimum pay of Rs.350 fixed for an officer of his class holding permanent charge" and that

-----x
The case is not quite clear - The Additional Medical Officer, Ootacamund, has hitherto been regarded as an officer in charge of a Civil Station. If that view is correct, Mr. Hesterlow is in my opinion entitled to acting allowance calculated on the minimum pay (350) fixed for an officer of his class holding permanent charge. I do not think that he can be regarded as himself an officer holding permanent charge. If however the view that he is in charge of a Civil station is erroneous then he appears to be entitled to the ordinary allowance of an Assistant Medical Officer viz. Rs. 50 per mensem.
-----x

Assistant Surgeon
: Hesterlow's appointment does not fall
: under this rule, as he
: is not in temporary
: charge of a station.
: I also pointed out

that the appointment of Additional Medical Officer, Ootacamund is a special one lasting for only 6 months in a year, that Mr Hesterlow holds it for the full period and that as no other man has a lien on it, Mr. Hesterlow is clearly entitled to the

Full

pay as an appointment. I quote the Accountant-General's
reply in the margin.

4. The Accountant-General does not think that Mr.
Hesterlow can be regarded as himself an officer holding permanent
charge, but on what authority his opinion is based he does not say.
Nor can I understand how Mr. Hesterlow can be considered to be
entitled to an acting allowance when he is not acting for any one.

5. I am of opinion that the appointment of Additional
Medical Officer, Ootacamund, should be treated as a special one
and not covered by the addendum referred to by the Accountant-Gen-
-ral. Unless this is so and the full pay of the appointment is made
available, it will be extraneously difficult, if not impossible, to get
any Assistant Surgeon to accept the appointment each year as he
will be a considerable pecuniary loser owing to the expensive
living on the Hills and the maintenance of double establishments.

I have the honor to be,

Sir,

Your most obedient servant,

C. Nibberville.

Surgeon-General.

Surgeon-General with the Government
of Madras.

Fort St. George,
Accountant General's Office,

Forwarded to Government.

My reason for not regarding Mr. Hesterlow as an officer
holding permanent charge is that he was "appointed to be additional
Medical Officer, Ootacamund for 6 months" see Notification No. 168 on page
226 Part I of Gazette dated 28 February 1899. If a local allowance is
necessary as the Surgeon General's letter seems to imply the sanction of the
Government of India will be required. Article 283-4 (3) (a) Civil Service
Code.

the appointment. I quote the Accountant-General's
reply in the margin.

months, & apparently therefore
he restricts the allowance to
Rs. 70 per mensem under Art.
157 C.S. Regn., which rules that
a Civil Asst. Surgeon in temporary
charge of a Civil Station is
entitled to draw acting allow-
on the minimum pay (Rs. 350)
fixed for an officer of his class
holding permanent charge.
There appears however to be
much force in Mr. Astle's
contention, which is supported
by the Surgeon Genl., that the
appointment of addl. med.
officer to the command, is a
special one lasting for six
months every year; that Mr.
Astle holds it for the
full period, & is not acting
for any one else, & that he
is therefore entitled to the
full pay of the offr.

3. The Asst. Genl. states
that if a local allowance
is necessary, the sanction
of the Govt. of India will
be required - this remark
seems somewhat inconsistent,

8
cannot be sanctioned
without sanction, it is
difficult to understand
how an allowance of Rs 70 can
be made without similar
sanction. The A. G. quotes
Art. 283, Rule 4, clause (a)
of the Civil Act. Code,
which states that no person
without the previous sanction
of the Govt. of India, no
person shall be employed
created with a pay of more
than Rs. 250 a month, & no
addition may be made
to the pay, unless of any
officer, if the Govt. of India
would after the addition
exceed Rs. 250 a month.
An addition of Rs. 70 a month
would bring up the total
pay to Rs. 320, which is
more than Rs. 250
allowed, & the A. G. is
willing to have this amount
sanctioned to Rs. 150 as
requiring Indian sanction.
If the question hinges
on it being the creation

to the A. G. Ch. 10
17/4/11

1 - pay of more than Rs 250
a month, the rule does not
apply, for the Govt. physician
has already sanctioned
the creation of the post,
which is included in the
list of medical appls.
in India, - please see page
18 of the statement of page 8,
which is a revised list of
existing sanctioned appls.
It seems clear that the
app't of add'l medical
officer (for six months in the year)
must be regarded as a
permanent charge for the
time stated - It falls under
the sanctioned list of
appls. for which Civil
Surgons are eligible,
and they are posted
to the charge for the full
period of six months.
Should draw the minimum
pay (Rs 350 p.m.) attached
to the permanent charge
of a Civil Surgeon, - please

2. The Asst. Surg. suggests
that Mr. Hester should
be permanently appointed as
medical officer. As a rule,
alternately joining the boat
serving to the plains for
6 months every year, would
probably be objected to
by the Surgeon Genl. - the
appointment is apparently
intended to be given in turn
to deserving Asst. Surgeons
who may desire it, &
Mr. Hester's movement is
not the senior for such a
permanent position -
apparently the only thing
to be done is to ask the
