Sir

Sup^y Engineer 4th Division

In forwarding an application from Mr. Ottman, I have the honor to inform you that when I wrote to you on Friday on this subject, I was under the impression that Colonel Orr would place Mr. Martin under my orders instead of Mr. Ottman, as he had once or twice formerly proposed. Now, however, Colonel Orr declines to make that arrangement, so that, should I part with Mr. Ottman, I should be altogether deprived of a Departmental or trained assistant. This would so cripple me in the preparation of the detailed and other surveys which I have yet to get done, that I cannot voluntarily relinquish Mr. Ottman's services. —

I am in hopes that Colonel Orr will reconsider the matter and appoint either Mr. Martin or some one else equally fit for my work to my office, instead of Mr. Ottman.

who would then be available for the
appointment you intended to confer on him.

Secretary to Government
D. B. C.,

Sir
In the Budget Estimate for
1866-67 which I had the honor to
transmit a few days ago for the approval
of Government, I inserted under the head
of "Improvement to the Channels of the
Manipal sections of Krishna Ditta"
Rs 10,000 only. Since then I have been
transversing these Channels and deem
it desirable that a much larger grant
should be allowed in order to press on
the enlargement, ^{so as} ~~in order to~~ furnish an
adequate supply of water for the
necessities of the Crops. I have therefore
the honor to request that you will
direct 25,000 Rs to be inserted instead
of 10,000-

Sir,

As I understand that there are vacancies
in the higher grades of the Upper Subordinate
Department, I have the honor to bring to
notice that Mr. W. Nair, Supervisor 1st
Class has considerable claims for long and good
service. he has been well spoken of during the
22 years he has been in the Executive Department
by the various Officers under whom he has worked
and has been a most valuable Range Officer
under me.

2. Till lately he has not had any large
works - but I have now every reason to be pleased
with his Engineering knowledge and good system
of work and trust that the Government will reward
him by promotion.

 I have the honor to point out that no attention
 appears to have been paid to the order in which
 the Taking Overmen are entered in the Quarterly
 Statement submitted from this Office. In all
 the returns put in by me, and I believe I am
 correct in saying in those sent by my prede-
 cessor, Sergeant R. Ellis has been placed above
 Mr. S. Howell and Mr. J. W. Ellis, the latter
 of whom is placed some way down the list,

 two are put in to act as Supervisors 2nd grade.
