Sir,

With reference to your Memo N^o 232
dated 24th Instant, I have the honor to inform
you that the non-receipt of the Statement
for the Nellore District, and the want
of certain information in that for the
North Arcot District returned to the

the 1st Instant, prevent me closing and
despatching the General Statement of
Revenue for 1864/65. The
accompanying papers from the Superin-
tending Engineer 2^d Division will explain
the cause of the delay in the submission
of the Nellore Statement. The attention
of the Superintending Engineer concerned
will again be drawn to the subject
this day, by furnishing them with a
copy of this letter.

Sir,
In acknowledging the receipt of the
order of Government of the 10th instant No. 3646
I have the honor to point out that in the 3rd
line of the 10th para the sum entered as Rupees
172,035 should be Rupees 124,872, this latter being
the overpayment ascertained and admitted by
the Provisional Chief Engineer for 11 out of the
18 miles, and the former being that supposed
to be a moderate estimate for the whole 18 miles.
2. Perhaps as the lower amount is that
reported by the Chief Engineer, the Government
may wish to alter thereto the amount retentive
in para 5.
