[illegible]

South Indian Railway Budget Capital.

This is the estimate in State -
Railway form (called for by India vide
Madras G.O. No 1437 R, dated 30th December
1889) for the last three months of the
official year 1890-91 and represents the
anticipated balance of works sanctioned
and unsanctioned remaining at 31st
December 1890 provided in the original
revised estimate in Government Railway
form.

Villupuram Guntakal State Railway
Revenue Budget 1890-91.

There was no budget for this section.

It was originally anticipated to open from April on thereabouts and the earnings and expenditure were provided by the South Indian Railway in their own budget. Separate estimate is now submitted under India's orders and

and the date of opening is apparently postponed till 1st October. It is not clear why the estimates have been prepared in two parts but in the final issue they can be amalgamated if necessary.

The figures cannot be criticised.
