GOVERNMENT OF MADRAS. PUBLIC DEPARTMENT.

READ—the following paper :—

From G. BIDIE, Esq., M.B., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 4th March 1889, No. 102.

In reply to the memorandum of Government, No. 596 of 19th February 1889, I have the honor to enclose copy of a letter from Brigade-Surgeon Nanney relative to the Railway appointment he holds, from which it appears that prior to acceptance, he secured the sanction of the then head of the Medical Department.

2. The fact of such an office being held by the Civil Surgeon of Trichinopoly was also brought to the notice of Government in paragraph 5 of a letter recorded in G.O., Judicial Department, No. 2907 of 2nd November 1883, and no objection seems to have been taken to the arrangement.

3. The question of the right of Medical officers of Government to hold such appointments and receive pay direct from a Railway Company was also discussed in G.O., Public Works Department, No. 3384 of 27th November 1875.

ENCLOSURE.

From Brigade-Surgeon L. C. NANNEY, District Medical and Sanitary Officer, Trichinopoly, to the Secretary to the Surgeon-General with the Government of Madras, dated Trichinopoly, 25th February 1889, No. 102.

I have the honor to acknowledge the receipt of your endorsement, No. 976 of the 20th instant, on memorandum, No. 596 of the 19th instant, from the Chief Secretary to Government, and in reply to inform you that I received the entire approval of Surgeon-General Cornish in 1883 before taking up the appointment of Superintending Physician, South Indian Railway, and I thought that Government were aware of the fact, as Colonel Tennant alludes to it in G.O. of 2nd November 1883, No. 2907, paragraph 5.

ORDER—dated 8th April 1889, No. 325, Public.

The attention of Government has been drawn to the special appointment held by Dr. Nanney, District Surgeon of Trichinopoly, as Consulting Physician to the South Indian Railway Company.

2. It is observed that the terms of the Resolution of the Government of India recorded in G.O., 11th October 1875, No. 2214, Judicial, prohibit such an arrangement. This prohibition has been reiterated in still clearer terms, and after special reference to the Medical Department, in paragraph 6 of G.O., 10th July 1886, No. 1426, Public. The acceptance by Dr. Nanney of a fixed salary from the Railway Company was therefore irregular, and should not have been permitted by the Surgeon-General without the special orders of Government.

3. His Excellency in Council, having regard to the fact that the tenure of this appointment involves not only periodical absences from Trichinopoly on inspection duty, but a liability to be called away at any moment in case of accidents on the line, resolves to direct the Surgeon-General to intimate to Dr. Nanney that he must resign the appointment of Consulting Railway Physician within three months from the date of this order.

4. The Surgeon-General will report whether any other appointments of a similar nature are at present held by officers of his department.

5. G.O., 27th November 1875, No. 3384, Public Works, which has been referred to as justifying Dr. Nanney's tenure of the appointment in question, can only be held applicable to medical attendance of the nature of private practice within a medical officer's range. But as its wording renders it liable to misinterpretation, it will be withdrawn.
