[Your letter No. 705 of the 11th instant.]

The Chief Engineer has reported to me as follows:—

"The officers placed available for transfer in my No. 643 of 18th April 1890 are—

Mr. C. A. Bull, Executive Engineer,	1st grade,	from	30th June 1890.
" H. G. F. Smith	" 3rd	" from	" "
" B. P. Bosu	" 3rd	" from	" "
" A. Penny	" 1st	" from	" "
" A. Sprenger	" 1st	" from	" "

"Lieutenant Burn, R.E., is a young Assistant Engineer who is now working in Sub-division charge under Major White, R.E., and I should regret to be obliged to remove him, especially as the officers advised for transfer are all much senior to him, and I have no officer of a suitable standing to replace him. I should be glad, therefore, if one of the officers named in my list can be selected in place of Lieutenant Burn."

Will you please let me know if, after this representation, Government still desire that Lieutenant Burn should be transferred.

Submitted for the orders of Government with reference to G.O., No. 970 R., dated 8th July 1890.
