2. It will be observed that Jeypore and Cawnpore have been given up as halting stations, which necessitates a slight change of days in His Highness' halt at other stations on the return. A halt of two days is made at Allahabad and at Agra instead of one, and the arrival at every other station south of these is a day earlier than in the original programme.

12TH FEBRUARY 1890, No. 78, POLITICAL.

ORDER—dated 12th February 1890, No. 78, Political.

His Excellency the Governor in Council directs that the foregoing letters and copy of the revised programme be communicated to the Collectors of Anantapur, North Arcot and Malabar, in view to their paying His Highness the Maharaja of Travancore every possible attention within the limits of their respective districts.

2. It is presumed that "Tadpatri (Vellore)" is a misprint in the programme for Katpadi (Vellore).

3. Collectors will also arrange that every assistance is afforded any parties which may be deputed to carry out the requisite arrangements for His Highness and suite at the stations at which he proposes to halt.

4. Copy of this order will be furnished to the Consulting Engineer for Railways for communication to the Agent of the Madras Railway, and to the Inspector-General of Police.

5. Intimation of the intention of His Highness the Maharaja to visit the Bengal and Bombay Presidencies, the Panjab, and the North Western and the Central Provinces will be made to the several Governments.
