NOTES.

REFERENCE TO MADRAS P.W.D. CODE OF 1886.

PARAS. 50 (NOTE) 569 AND 569 A—NOTE.

For Leave on Medical Certificate.

4. Application for leave, or extension or commutation of leave, on medical certificate must, in the case of a superior officer, be accompanied by a statement of his case from the applicant's medical attendant.

5. A certificate must also, in the case of a superior officer, be submitted from the chief medical officer of the station or district, or if the officer is at the Presidency town from a Presidency surgeon, to the effect that after careful personal investigation, he considers a certain period of absence absolutely requisite for the restoration of health. For the satisfaction of the head of the office or department the medical officer signing the certificate will indicate in addition to his usual departmental designation, whether he is the chief medical officer of the station or district, or otherwise. But an applicant for leave must not appear before the chief medical officer of the station or district, or a Presidency surgeon, without the cognizance of the head of his office, or if he is himself the head of his office of the head of his department.

5. A When desired to do so by the Medical Officer, the applicant for leave is bound to place himself under the treatment and observation of such Officer for such short period as the latter may require (para. 569 A Note).

6. If the leave be for more than six months, the papers must, in the case of a superior officer, be submitted for countersignature by the Surgeon-General or Deputy Surgeon-General of the province to which he belongs. It is not necessary that the applicant for leave should appear in person before the Surgeon-General or Deputy Surgeon-General, unless that officer call upon him so to appear. The Surgeon-General or Deputy Surgeon-General should only call upon an applicant from a distant station to appear for very special reasons.

7. In the case of an officer who is granted leave on medical certificate for three months, and who subsequently applies for an extension, which, if granted, would have the effect of making the entire period of leave more than six months, it is necessary that the application for extension should be supported by a medical certificate countersigned by the Surgeon-General or the Deputy Surgeon-General.

7. A In all cases of admission of public servants as out-patients into a hospital either Government, Local Fund, or Municipal, the medical officer granting the certificate of admission should insert a note therein, stating whether the nature of the complaint is such as to preclude the patient either wholly or partially from discharging his public duties.

15. The letter of request is not to be used in the case of an extension of sick leave. (Vide G.O., No. 450, Public, dated 26th March 1887, communicated with G.O., No. 1084 W., dated 19th April 1887.)

Name. E. F. Gordon
Age. 37 years
Rank. Exec: Engineer 3rd
Service. 13 yrs S. P. I.
Furlough to Europe. —
Sick leave. —
Date of last return }
from furlough }
Temperament. Sanguine
Habit of body. — Spare —
Habits. Temperate.

This officer was admitted into Hospital on 10th September suffering from Jaundice. After being here for 17 days he was recommended to take a sea voyage. He went to Colombo and to the Straits and returned to Madras on 30th October. He was readmitted then to hospital still suffering from Jaundice, but his general condition seemed worse. He looked thinner and worn out; had lost flesh and expressed himself very weak and exhausted.

On examination it was found that there was slight enlargement of his liver downwards but all his other organs appeared normal. He has been treated in a variety of ways but

not with advantage. It is feared
that he is suffering from some
obscure malignant disease
of the liver. His condition is
at present very critical; he is
gradually losing flesh and
strength, but every attention
is being given to him with
good nursing and nourishment.
