To E.R.

I think "the Chief Engineer"
in para 829 of the P.W. code means Chief Engineer P.W.D.,
but if you think otherwise, it would
be as well for you to refer the ques-
tion for orders.

2. If you prefer it, however, the
establishment being imperial, I will be
guided by the Government of India Code
volume I, chapter VI, para 10 under which
sanction of Local Government in the
Railway Department will be necessary.
