Firewood.

7. The Agent reported that, in answer to his advertisement inviting tenders for the supply of 5000 tons of firewood required in the Locomotive Department, eight tenders were received at prices ranging from Rs. 4-0-0 to Rs. 4-12-0 per ton.

The Locomotive Superintendent was of opinion that it would be impossible for tenderers below Rs. 4-7-0 per ton to supply firewood of the sort, and within the period required. The merchants who tendered at Rs. 4-7-0 and Rs. 4-12-0 per ton had previously supplied the Company in a satisfactory manner with firewood, and he recommended the quantity advertised for should be divided between these two.

The Committee however did not feel justified in paying Rs. 4-12-0 per ton when a reliable tenderer had offered to supply at Rs. 4-7-0 per ton, and it was decided therefore to accept Govinda Pillay's offer.

Gratuity to Gatekeeper Doeroogiah.

8. The Agent intimated he had received the sanction of Government and of the Board to the grant of a gratuity of Rs. 17-8-0, equal to 5 months' wages, to Gatekeeper Doeroogiah on his retirement after 16 year's service, on account of his being medically declared to be unfit for further duty.
