Imperial—Hindupur Extension.

The budget grant for the year 1889-90 is Rs. 3,000, exclusively for land. The Collector reports that Rs. 2,500 will probably cover expenditure for the settlement of claims made in the current year.

Provincial—East Coast Railway Survey.

There was no budget grant for this survey until an *ad interim* grant of Rs. 50,000 was given from Provincial funds in September 1889.

The detailed estimate appended, prepared by the Engineer-in-Chief, East Coast Survey, amounts to Rs. 1,40,228.

To this has been added a sum of Rs. 940 as provision on account of Audit and Accounts establishment as estimated by the Examiner of Public Works Accounts as under:—

	RS.
Superior establishment proportionate cost at Rs. 75 per mensem for 4 months	300
One accountant, 4th grade, at Rs. 115, for 4 months	460

PUBLIC WORKS DEPARTMENT.

OFFICE OF CONSULTING ENGINEER FOR RAILWAYS,
Madras, 13th June 1890.

Letter from the Agent, South Indian Railway, No: 710, dated 20th May 1890.

No. 414.

SUBMITTED to Government, for the orders of the Government of India.

2. The Agent, South Indian Railway, asks from what date the services of Executive Engineer Mr J. W. Bartlett are debitable to the Villupuram Guntakal State Railway.

~~2~~ 3. Mr Bartlett's services were lent to the Bengal Nagpur

nagpur Railway but he was relieved of charge of works on that line on 27th November 1889. He then appears to have proceeded to Purulia where he remained until 16th December 1889, when he received orders to join the Villupuram Guntakal State Railway.

4. The Bengal-Nagpur Railway decline to debit his pay after the 27th November, and it seems to be a question as to who relieved him, and by what authority he was relieved of his work on the 27th November,

regarding

regarding which there is no information in this office.

5. The notification transferring him to the Villupuram Guntakal State Railway is dated 14th December 1889 from which date there is no question as to his pay being borne by that line.
