PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following ~~paper~~ :—

Endorsement of the Officiating Joint Secretary to Government, Public Works Department, Railway Branch, dated 27 October 1890 No: 704 D, submitting a letter from the Agent, South Indian Railway requesting that a Sub Treasury be opened at Piler during the construction of the Villupuram Guntakal State Railway.

Letter from the Accountant General to the Government of Madras dated 3rd October 1890 No: 3228 and its enclosure.

" With reference to your Endorsement No: 1474 C dated the 29 August 1890, I have the honor to state that I addressed the Collector of Cuddapah on the subject of opening a Sub Treasury at Piler during the construction of Villupuram-Guntakal State Railway, for the convenience of the Railway Authorities, and I enclose copy of his reply, from which, it will be seen, that a similar proposal, made at the instance of the Postal Department, was negatived by the Board of Revenue in 1889, on the ground that Piler was not a regularly constituted sub-treasury. The same objection will stand good still; unless Government be pleased to treat the present, as a special case, and to sanction the additional cost involved in the supply of the Police Guard."

Enclosure.

" I have the honor in reply to your letter 2913 dated 6 September 1890, to inform you that the Board of Revenue in June 1889 refused to sanction a proposal made by me to allow the receipt and issue of money on account of the Post Office by the Deputy Tahsildar

on

on the ground that Piler is not a regularly constituted disbursing Treasury.

2. The Sub Magistrate's Office is held in a building very unfit for the custody of any large sum of money. The only real protection to the money there is that it is contained in a heavy iron cash chest. If a sub treasury were established a Police guard would be absolutely necessary so that there would be no such saving of the expense of a Police guard as is spoken of in Mr Gerrard's letter.

3. If the expense of guarding the money be not considered a sufficient reason for negativing the proposal, I know of no other. But the existence of the Railway works in the neighbourhood of Piler is the sole reason for asking for a treasury there and there is some reason to believe that the chief part of the work involving heavy payments will soon be finished so that the need is merely temporary".

Public Works Department No: 4302C dated 23d October 1890.

Order 15 November 1890 No: 817

The Government is of opinion that the case is of a special kind, and that the Police guard may be supplied.
